

My congregation (Webster Gardens Lutheran Church) is holding a coat drive to share warm winter items (gently used coats, scarves, hats, gloves) with families in St Louis who are in need.

I'm going to collect some items from my own home, and I'd like to see if my neighbors have any items to contribute.

I will be coming by on _____ If you have any of these items, could I come by and pick them up then?

Thanks for helping serve families in this area!

God's blessings!
